QUEEN OF ANGELS CHURCH, AUSTIN, MINN.—11

15304

The growth of the City of Austin necessitated enlarging the Catholic Church, so a new church was erected on the east side, making two conveniently located places of worship. The new building is so constructed that it can be enlarged whenever necessary without detracting from the beauty of line.

Friday night-

Dear Folks- Just one more ~~Card from Columbia~~, slipping at the nice clean tourist-Hotel. Two rooms and bath, had a nice floor lino out. We had a fierce knock this noon & yesterday, Wisconsin is a Peneplain all drive. wish you all could be with us.

Love Lottie
